

## Maryland

### NOLF Webster Field

---

#### ***Facility and Location***

Naval Warfare Center Patuxent River continues to serve as the Navy's principal research, development, test, evaluation, engineering, and fleet support activity for naval aircraft, engines, avionics, aircraft support systems, and ship/shore/air operations. In addition, the center hosts the Navy Test Pilot School, Naval Air Station Patuxent River, and the nearby Navy Outlying Field (NOLF) Webster. NOLF Webster hosts unmanned aerial vehicle operations all of which regularly use the center's airspace complex.

The Patuxent River Naval Air Station Complex covers approximately 6,500 acres at the station itself with an additional 850 acres at the Webster Field Annex located about 13 miles southwest of the station in St. Inigoes, Maryland. It encompasses five acres at Point Lookout, the southernmost tip of St. Mary's County.

#### ***Media Sampled and Findings***

**Drinking Water** — In 2007, two samples reported no detection. Prior to 2007, one sample detected perchlorate at 0.9 ppb.

#### ***Appropriate Actions***

Not Applicable. All samples were below the EPA and DoD Preliminary Remediation Goal of 15 ppb.
